St. Anthony's has an Eco-Commission!  
**Lifestyle**—Pope Francis has said that whenever food is thrown out it’s as if it were stolen from the table of the poor. Wow, that sure is food for thought.  
Approximately 1/3 of all food is discarded. Another powerful statement to consider, we have all tossed away those leftovers no one wants anymore. Thinking about the people that don’t have enough to eat makes us more conscious of our wastefulness. We are so very fortunate to have plenty; food, clothes, and all of the extras that make our life so good. We can work together to find ways to keep our excess consumption (and waste) under control. Perhaps keep an inventory of what food we throw out in a week. It could be very enlightening and help us plan our meals better. Eating out is a killer to any budget. We have seen people get up and leave a restaurant with a lot of food left on the plates. In the midst of so much wastefulness, we need at times to imagine the faces of so many hungry people around the table. Meal planning of some sort can help us from the last minute, “What’s for Dinner, I’m Starving” helplessness. As individuals and as a community let’s try to find ways to keep from feeding the garbage can this week!

St. Anthony’s is hosting its annual **Halloween Party on Saturday night, October 31st from 5:30p.m.-8:00p.m.**  
We will have a DJ (Bill McCabe!), bonfire, cocoa, cider, cookies, and other fall goodies. There will be a special raffle for anyone who comes dressed in a Saint Costume! **Donations of Halloween candy, cocoa, and cider are needed for event. Donations can be dropped off at St. Anthony's parish office during the week or at church on the weekend.**  
Confirmation students can earn service hours for helping with the event! For more information contact the parish office.

We will have goodies for those out trick-or-treating as well! Be sure to stop by for a few minutes or for the whole evening!
