St. Anthony’s has an Eco-Commission!

Paper Recycling
More than half of the paper used today in the U.S. is made from recycled paper, which conserves forests and saves landfill space. When shopping for paper products such as paper towels, tissues, toilet paper, printer paper, wrapping paper, greeting cards and even books and magazines, look for the recycling symbol that shows it was made from recycled paper. There have been paper recycling bins in the side church parking lot for many years. Please use them to dispose of old newspapers, office paper, scrap mail, magazines, phone books and bagged shredded paper. The recycling firm pays our church for this scrap and the money is used for various church programs.

Mark you calendars—the Eco-Commission is hosting an event on Black Friday (November 27) beginning at 5:00p.m. with Mass and refreshments. More information will be available in next week’s bulletin.
