**What is God asking ME to do?**

Last weekend we celebrated the FEAST OF THE BAPTISM OF THE LORD. We are reminded that our baptism calls us into full, active participation in the life and mission of the Church. In a homily Fr. Peter asked the question, “What is God asking me to do?” and he challenged us to consider the possibility of becoming more involved in the life of the parish this upcoming year. Is there a ministry or program in the parish that you have been thinking about becoming involved in? Below is a list (although not exhaustive) of some of the ministries/programs that might be of interest to you. Please contact Dr. Shanon Sterringer for more information office@stafh.org or 354-4525 or to be put in contact with the appropriate person/group.

**St. Anthony’s Eco-Commission!**

Since 1970, Earth Day has been celebrated in springtime as a day to focus on the planet and to hold activities concerning environmental issues. It is now celebrated by 192 countries around the world. Why limit ourselves to a day or a week when we should practice taking care of the planet daily? Things like recycling, proper disposal of waste and a consciousness of our carbon footprint should be second nature in our daily thoughts. Why not make a New Years resolution to celebrate everyday as Earth Day!
