Retreat opportunity—Do you ever feel like you’re just going through the motions, living an ordinary life? Looking for a deeper purpose in your life? There is no question that we are living in difficult times. Too many people are looking for answers only to find empty promises. How can we bring purpose into our everyday life? How can we have lasting and sustainable happiness? We need heroic Catholicism. We need saints! The world doesn’t need another John Paul II or Mother Teresa. The world needs you. Are you ready to find meaning in your everyday ordinary life? Tickets are available at www.dynamiccatholic.com/events or you can call Debbie at 440-259-1867. The event is being held at St. Gabe’s on March 12th from 9-1:30PM.

St. Anthony’s Eco-Commission!
This is a wonderful time of year. We have a brand new year ahead of us. It is a great time to assess what you have accomplished in this past year. If you have never done this we would encourage you to. Just sit down with paper and pencil, or computer for you techies. Go through each month, sometimes it helps to have the calendar to flip through, and record the home improvements, trips, programs, and things you have done this last year. Think about the times spent with your family and friends. Maybe you volunteered or donated to the needy. In your assessment, begin to plan for this upcoming year. Maybe you will find that you have more to give to the poor, be it time or money. Our parish has many worthwhile groups, consider getting involved. Open your mind and heart to something new this year!
