There is NO PSR this weekend in lieu of the LENTEN FAMILY NIGHT which will begin at 6:00pm. Fr. Peter will be offering a special presentation to the adults on the history of the stations and the evening will conclude with our teens presenting Shadow Stations of the Cross. Teens are reminded to please arrive at 4:00pm on Sunday to practice. Confirmation students are reminded that this event does count as a service project.

Please join our Eco-Commission next Friday, March 4th at 5:30pm for a Lenten Pot-Luck before the Eco-Stations of the Cross at 7:00pm. A collection will be taken up during the pot-luck to start a seed growing program with our students. In his document, Laudato Si, Pope Francis reminds us that it is SO important to care for God’s creation.

As we continue to journey through the Lenten Season, please keep our RCIA in your prayers—Melissa, Jeff, John & Bobbie—as they prepare to receive Easter sacraments.

On Holy Thursday this year we will be washing the feet of our YOUTH GROUP. Please pray for our youth minister Steve Biro and our Youth Group during this season.

Electronic giving is available on our website www.stafh.org
Total online giving for February 21 was $479
Thank you!

The 2016 Mass Intention book has LOTS of openings for this upcoming year—especially for the weekday Masses. The stipend for a Mass is $10. Masses are normally offered for those who have died, but you can also offer a Mass Intention for those who are still living, especially those suffering in anyway. Praying for others in the context of the Eucharist is one way we stay united as the Body of Christ. To schedule an intention please call the parish office or email office@stafh.org

**Cabbage Roll Dinner:** Saturday, March 5 from 4:00p-6:30p - Cost $12/dinner. Hungarian Reformed Church. Proceeds benefit the Hungarian Monument. Limited to 150 dinners. Contact Karen at 440-251-3150

**Retreat opportunity**—Do you ever feel like you’re just going through the motions, living an ordinary life? Looking for a deeper purpose in your life? There is no question that we are living in difficult times. Too many people are looking for answers only to find empty promises. How can we bring purpose into our everyday life? How can we have lasting and sustainable happiness? We need heroic Catholicism. We need saints! The world doesn’t need another John Paul II or Mother Teresa. The world needs you. Are you ready to find meaning in your everyday ordinary life? Tickets are available at www.dynamiccatholic.com/events or you can call Debbie at 440-259-1867. The event is being held at St. Gabe's on March 12th from 9-1:30PM

- Fun Facts About Paper Recycling
  - One ton of recycled paper saves 3.3 cubic yards of landfill space
  - De-inked paper fiber is the most efficient source of fiber for the manufacturing of new paper products. One ton of de-inked paper pulp saves over 7,000 gallons of water, 390 gallons of oil and reduces emissions by 60 pounds compared to the traditional virgin paper process.
  - Enough paper is collected for recycling each year to make a boxcar train over 7,000 miles long.
  - One ton of recycled paper uses 64% less energy, 50% less water, emits 74% less air pollution and creates more jobs than one ton of paper products from virgin wood pulp.
  - A bin can hold between one and two tons of paper.
