It’s time to start thinking about Vacation Bible School! Are you planning on having your children participate this year? Would you like to be a part of the VBS team? Are mornings or evenings better for you and your family? These are the questions we need for you to answer so that we can be sure our program meets the changing needs of our parish. We were very disappointed to have canceled last year due to lack of enrollment. Please consider sending an email to saintanthonypsrs@ameritech.net if you might be interested in seeing VBS offered here this year. Based on your responses we will begin to plan this year’s program. Thank you!

**St. Anthony’s Eco-Commission!**

**SAVE THE DATE—April 30, 2016**

The EPA estimates the United States discards over 2 million tons of E-waste yearly, and of this, more than 70% ends up in landfills instead of being recycled. Here is your chance to help reduce that number. The Lake County Solid Waste Management District is holding a computer collection on April 30th, 9:00am-1:00pm at the Fairgrounds commercial building. If you have an older, unused computer, please take it in for recycling.
