St. Anthony’s Eco-Commission!

Arbor Day—Defined as a day set aside for planting of trees. The first documented Arbor plantation festival was in 16th century Spain. The first American Arbor Day originated in Nebraska in 1872. National Arbor Day is celebrated every year on the last Friday in April—this year April 29th! Trees are extremely beneficial to our everyday life. There are multiple varieties of fruit trees, Evergreen trees, trees that provide lumber for our buildings, or a simple shade tree for a hot summer afternoon. All are so very important. Please consider planting a tree or attending a ceremony where a tree is planted this Spring!
