**7:00pm Parish Council**
Thank you to all who helped make the Advent and Christmas season so beautiful—Debbie Fitzgerald and our Music Ministry, our Art & Environment Committee, Liturgical Ministers, everyone involved with our Food Bank and Giving Tree programs, Parish Life Commission, Steve Biro, Danette Richards, and our catechists, Mr. & Mrs. Claus, and all of our wonderful parishioners! It was truly a blessed season.

PSR is on break until Sunday, January 15th. All grade levels will resume class in two weeks including Confirmation students at 6:00pm. When classes resume we will be offering the Diocesan Praesidium program. For more information regarding Praesidium please log on to www.clevelandchildprotection.org/website/ To “opt out” of your child participating, please email saintanthonypsr@ameritech.net Enjoy the break!

Sign-up sheets are available in the foyer for the Lake Erie Monster’s Game on February 10th—tickets are $19 each and would make a great after Christmas gift! Our PSR program is using this as a fundraiser for the year. We will be going as a parish and it should be a lot of fun!

Don’t forget to return your 2017 Monthly Raffle Tickets! Thank you to all who have already returned your tickets. This is our major fundraiser for the year. We will be drawing the last of our 2016 tickets this weekend.

Electronic giving is available on our website www.stafh.org The online collection for Dec. 25th was $800. If you are not already signed up for online giving, please consider switching to it this new year! Thank You for your ongoing financial support of the parish!

Fr. Pete, Deacon John, Dr. Shanon and the entire staff of St. Anthony’s wishes you a very Happy and Blessed New Year!

St. Anthony’s Eco-Commission

What A Waste (part 1)

Ever notice how much food that is in your refrigerator or pantry that eventually ends up getting tossed out? It is estimated that 40 percent of the food purchased in the U.S. ends up in the trash. Waste occurs all along the food chain—from farms to processors, from grocery stores to restaurants. But the single largest source of food waste is individuals in the home. An average family of four loses about $1000 each year on food it throws away. But the damage is global as well when you take into account how much water, energy and labor it takes to grow, package and transport the food that never gets eaten.
