This weekend we celebrate the Feast of the Three Kings, also known as the Feast of the Epiphany. Much of this story has come down to us through tradition—historically we really do not know how many kings there were (or if they were even all kings—may have been a queen or two!) The Scriptures only record that there were THREE GIFTS - gold, frankincense, and myrrh brought by an undisclosed number of wise men (men in this context could have been an inclusive term). The story is not so much about the gift bearers as it is about the gifts which were symbols that the new born Christ Child was priest (frankincense), prophet (myrrh), and king (gold).

**St. Anthony’s Eco-Commission Lifestyle**

In November we talked about turning off the water while brushing. So hopefully you have taken the first step in being more aware of Our Common Home. Wonderful, you have new eyes and are looking outside of yourself. Let’s keep up our behavior changes. Remembering how precious water is, how about taking the shower challenge! How many minutes can you trim off your daily shower. Could you take a 10 minute shower? Maybe try the rinse, turn off water, soap up, and rinse, method of showering?? I know this is a bit harder, a small sacrifice, but it can be done. Good luck. Think how much water you will save. Think about the people who would consider a 10 minute shower a luxury.
