Mark you calendars for **Tuesday, August 15th—the Feast of the Assumption**! It is a holy day of obligation and is important that our children and teens participate in this day. **How can we pass along these beautiful traditions to the next generation if our students are not here to experience them?** In the past there have been very few of our families for this holy day. In an effort to draw more of our young people (and to treat everyone else!) we will be hosting donuts after the **7:30am Mass** and an ice-cream social following the **7:00pm Mass**. During the holy day Masses we will be dedicating a unique collection of Marian statues donated to St. Anthony’s. These statues will be displayed in our foyer.

We extend a warm welcome to **Bishop Nelson J. Perez who will be installed on September 5, 2017 as the 11th Bishop in the Diocese of Cleveland.** Please keep the entire Diocese in your prayers as we move through this upcoming transition.

**Electronic giving** is available on our website www.stafh.org The online collection for July 30th was $723. Traveling this summer? Online giving is a great way to make a contribution to the parish while you are on the road!

**St. Anthony’s Eco-Commission**

There are 10,000 landfills in the United States alone. Americans generate over 251 million tons of garbage each year! Over time, the liners in these landfills will begin to leak which will inevitably contaminate valuable and decreasing levels of ground water. The earth is not ours to waste. We are stewards of God's creation, therefore we must be concerned with the amount of garbage we are generating and how it is being disposed of.
