A Message from Daniel E. Thomas: Dear Faithful of the Diocese of Cleveland, Please join me in offering prayerful congratulations to the Most Reverend Nelson J. Perez, who on July 11, 2017, Pope Francis named the 11th bishop of the Diocese of Cleveland. **Bishop Perez will be installed on Tuesday, Sept. 5, 2017,** on which date I will conclude my service as Apostolic Administrator of Cleveland. You have my heartfelt appreciation for your prayers and support during these last eight months. With deep thanks in Christ Jesus, Most Reverend Daniel E. Thomas.

**Congratulations to Jacob Bennett,** the young man who hosted the Stuff-the-bus event for homeless veterans last October. Jacob **has earned his Eagle scout award!** He collected over 1100 warming items and $3500 in donations. He bought Sub Zero Mission 8 new police grade flashlights and 8 new radios for their outreach teams. St. Anthony’s played a major role in giving him a big boost in his confidence and accomplishing his goals. Jacob saw firsthand how valuable your contributions were when he visited the homeless and handed out the items from our church. It would not have been possible without your generosity. Thank you everyone.

Volunteers are need to help with the Communion service at the Painesville jail. St. Anthony’s parish serves the inmates once a month. Just as Jesus sent his disciples out two by two we need enough volunteers so we go two by two to the inmates. Call Dee Trepal at 440-382-1889 to learn more. The Jail Ministry is collecting notebook paper. Donations can be dropped off in the foyer. Thank you!

**Electronic giving** is available on our website www.stafh.org. The online collection for August 27th was $593. You can pay PSR tuition online as well! Just a reminder—we pay a service charge for each transaction so please consider combining your weekly contribution into one monthly transaction. Thank you!

**St. Anthony’s Eco-Commission**

Only 6% of Americans know that the number one man made cause of climate change is the energy we use in our homes. The EPA says that 30% of total U.S. Greenhouse gas emissions is caused by generating electricity. Some ideas to reduce emissions are updating energy-hogging HVAC units that are 15 years or older and deciding if they really need that extra fridge or freezer. Six out of ten Americans have two or more refrigerators or freezers.
