May the Light of Faith shine forth from our parish as a beacon to guide our community to the Lord. When life seems difficult and troublesome, may our faith offer us security and strength. When we come together to celebrate God’s gifts may the Holy Spirit fill us with joy.

Please remember to keep a quiet, prayerful atmosphere in Church before Mass.

With the start of our school year there is an important change in our procedure.

Last year we made some changes in the way our parents and student access the school. THE DOORS ARE LOCKED AND HALL MONITORS ARE PRESENT DURING PSR. Parents may be asked to help monitor the hall again this year.

We also feel the need to change our access to the Church. Security, safety and awareness are crucial in these times. After the church bells ring for the start of each Mass the school doors will be locked and the only access will be our main entrance under the overhang by Harbor Care and our bell memorial which also will be monitored during mass.

You can exit at any time through the school doors each of which have panic bars that you can push on to exit.

Some people use the main door to access the school to use the restrooms. But now during mass you must access the restrooms through the side middle doors of the church and return through those same doors. Sorry for the inconvenience but please measure this against the assurance of safety these procedures will hopefully provide.
