Liturgical Ministries and Alter Servers are asked to sign-in at least 10 minutes before Mass begins. Otherwise a substitute will be found for you.
Our Adult Education Series on Hildegard of Bingen will resume meeting this Tuesday, July 15th. This week’s topic is Hildegard’s visions, known as Scivias. Our next summer Latin Session will be this Sunday, July 13th. For more information concerning either of these programs, please contact Dr. Shanon Sterringer.

As was announced, we are just a couple of weeks away from the start of our floor project. Bishop Lennon has given us permission to move liturgical services over to the Byzantine Church (right next to McKinley School) for the duration of the project. Parking is very limited (almost non-existent) but you can park in St. Anthony’s lot and walk over. It is less than 2 blocks. For those unable to walk, we will try to organize a “car-pool” from St. Anthony’s lot. If anyone is willing to drive from St. Anthony’s to Holy Transfiguration (previously St. Michael’s) those unable to walk, please call the parish office so that we have an idea of who might need transportation. We apologize in advance for any inconvenience this project might cause. We are looking forward to having it completed as soon as possible!

The Christ Child Society invites you to participate in their annual Golf Classic and Pine Ridge Country Club in Wickliffe on July 14th. The day begins at 8:30a.m. and concludes with dinner at 5:00p.m. The cost for the day is $110 which includes meals and green fees. For more information or to register please contact Barb Bonnelli 440-352-6048.

Attention Teens in grades 6th-12th—you are invited to join our youth ministry program for a series of faith nights beginning Monday, July 14th—Thursday, July 17th from 6-8p.m. We will be spending the week immersed in the topic of the relationship between creation & science. As part of the discussion we will be taking a “field trip” on Wed, July 16th to University Circle to the Natural History and Art Museums. It will be a very informative (and formative!), fun and faith-filled week! For more information or to register please contact our youth minister Steve Biro in the parish office or at steve@stafh.org

Attention Adults—interested in learning more about the Church teaching on the relationship between Creation and Science? What is creationism and why does the Church not subscribe to that theory? What’s the deal with the Church and Galileo? What is the Church’s understanding of the theory of evolution? How does this all fit into our reading of the Creation accounts in the Book of Genesis? Why does it even matter? If any of this interests you, please contact Dr. Shanon Sterringer in the parish office. We are considering offering an adult education series on this topic in the fall if there is an interest.
