My Sisters and Brothers of St. Anthony Parish,

What is it that makes a parish truly great? Is it the size, the amount of activities, the beauty of its facilities, its financial position, or any other marks of distinction? Although none of those things are necessarily bad, they certainly do not come close to how the Lord defines being great. First, I would say the most important part of any parish is the people. St. Anthony's is a great parish because of the great people here. However, Jesus went even further and said, **"Whoever wishes to be great among you will be your servant; whoever wishes to be the first among you will be the slave of all. For the Son of Man did not come to be served, but to serve and to give His life as a ransom for many"**. We can do a lot of good things as individuals and as a parish, but to be truly great, we must be a people of Christ-like service.

Speaking of a truly **great servant-leader**, this coming Saturday our own **Steve Biro**, is being officially certified as a Lay Ecclesial Minister in the Diocese of Cleveland by Bishop Malesic at a special Eucharistic liturgy at 10 am at the Cathedral of St. John. I am so proud of Steve because in the year or so I have had the privilege of working with him I have truly seen the meaning of servant-leadership, and genuinely the "heart of a shepherd". We are very blessed at St. Anthony's to have Steve in his role (many I should say), and his tremendous dedication. I join Deacon George and all of you in offering Steve our sincerest prayers, our great thanks, and our prayerful support as we work together to enable St. Anthony's to grow in greatness and holiness. Thank you, Steve, for your blessed ministry.

We have begun our efforts to join the diocese in the **Heart of a Shepherd** campaign. You will hear more about what this is about, and how each of us can do our part. When you make your decision, pray first, consider your own blessings and needs, do what God tells you, and know that whatever you do is appreciated and will make a difference. Please remember that this campaign will not only greatly benefit the needs of the diocese, but also a significant percentage of what is collected by our parish is directly returned to our parish for specific projects of great need.

We need each other, and now is a time to help each other through the generosity and good stewardship of our lives. There is no pressure—only tremendous gratitude. You will be hearing more about this as the campaign continues.

Have a great week. Strive for greatness. Please know that you are in my constant prayers, and I am ever grateful for yours. My back surgery is October 27th, and I will be out at least six weeks. I miss being at St. Anthony's, but I will be back. Peace to you

In God's love,
Fr. Fred

We will have specially marked boxes stationed at our entrances and throughout the church and school building. On **Thanksgiving Day at the 9am Mass**, children are encouraged to dress in proper attire, as Indians and Pilgrims, participating in the offertory collection and procession as we bring back another tradition here at St Anthony's. We will be in need of **two readers** for the readings and **two ushers** from our PSR program to participate in our Thanksgiving liturgy! Please see Deacon George or Steve Biro to sign up!
