St. Anthony's Eco-Commission

"Whenever we encounter another person in love, we learn something new about God" Pope Francis tells us. God is Love. It is not easy to love everyone we meet. But if we start small and offer a smile to a stranger, we are moving in the right direction. If we can show kindness and simple consideration to each other, is that not showing love for God. Your act of politeness might not be remembered, but you can be sure rudeness will not be forgotten.
